POLICY

Application for Moving Permit shall be applied for a minimum of 48 hours before permit can be issued.

Some permit movements may require special work by the Allen County Highway Department for the protection of the public or county highway facilities. Such work may include, but is not limited to, engineering analysis, route detours, special traffic control, or temporary bridge shoring to accommodate a specific load.

Prior to the issuance of a permit when such work is required, the applicant will be responsible for the reimbursement of the total direct costs incurred by the Allen County Highway Department in the performance of such special work. The Allen County Engineer will estimate the total direct costs to be incurred by the Allen County Highway Department and the applicant shall deposit this amount with the Allen County Highway Department in the form of cash, check, or money order prior to the performance of such work issuance of a permit by the Allen County Highway Department. If the special work is not performed, then the entire deposit will be returned to the applicant. If the work is performed and the total direct cost is less than the amount on deposit, then any excess will be returned to the applicant. If the work is performed and the total direct cost is greater than the amount on deposit, then the applicant will be billed for the deficiency. This fee for special work is in addition to the application processing fees.
